**Engineering & Stocking Distributors Pneumatics, Hydraulics, Lubrication, Vacuum, Filtration
Electrical and Mechanical Automation, Assembly Tools, Pumps, Blowers, Components & Systems**

Hydraulic and Pneumatic Equipment

AGI AUTOMATION	parallel grippers, pneumatic actuators and powered slides, escapements
AIRTROL	precision pneumatic pressure switches & vacuum switches
ALL-FLO	air-driven double diaphragm liquid pumps
ALPHA	plated brass one touch fittings compatible NPT, BSPT, BSPP, G, PT
ARROW	compressed air filters, regulators, lubricators, exhaust mufflers
ATLANTIC BLOWERS	regenerative blowers & accessories
ATLAS COPCO	air motors
AUTOMATIC VALVE	solenoid, manual & air pilot operated air valves for directional control
BECKER PUMPS	vacuum pumps, central vacuum systems, blowers
BIMBA MFG.	air cylinders, slides, rotary actuators, flow controls, intensifier, FRL
CKD	solenoid valves, actuators, FRL's, electric drive indexers, etc...
COILHOSE	hose, couplers, fittings, reels, blow guns, clamps
CTS	manual and remote actuated connectors for pressure and leak test
DE-STA-CO	work holding clamps
DROPSA	lubrication systems, pumps, diverters, near dry machining
DURAVALVE	ball & butterfly valves, brass, steel & S/S, manual, air & electric actuation
EDCO	air powered vacuum pumps, cups, filters, systems and components
ENERPAC	hydraulic cylinders, tools, clamps, valves, power units and presses
GEMS	sensors to control level, pressure, flow & miniature solenoid valves
FILPRO	filters for compressors, blowers, vacuum pumps, etc...
HEYPAC	air operated hydraulic pumps, valves, power units
HYVAIR	hydraulic pumps, valves, power units, components and systems
LYNAIR	NFPA & Mill type hydraulic and air cylinders
MP FILTRI	hydraulic filters and accessories
MARSH BELLOFRAM	electro-pneumatic regulators & transducers
MEAD	manual, solenoid, air pilot operated air valves, air cylinders, presses
NOSHOK	pressure gauges, transducers, load cells, level sensors
OETIKER	full flow/safety air couplers, hose clamps
PAXTON	centrifugal blowers & air knife/nozzle drying systems
PISCO	pneumatic tube fittings, manifolds, valves, single & multiple tubes, etc...
PUROLATOR	filters for air handling, HEPA filters, cleanroom hoods & modules
RENCO	two-hand-no-tie down controls, electronic and pneumatic
SOLBERG	filter/silencers, vacuum, coalescing, HEPA, and breather/vent filters
SPARTAN CANFIELD	2 & 3 way valves, timers, connectors, cables
SSP	316 S/S & brass, needle & ball valves, compression fittings
TRD	air & hydraulic cylinders, presses, boosters, rod-locks, alignment couplers
TURN-ACT	vane type rotary actuators, air cylinders, multiple axis units, etc...

Assembly Tools and Equipment

AIMCO
ASG
EAGLE
PANASONIC
TORCUP

URYU ergonomic/precision pulse tools, Acradyne DC controlled tools
air tools, electric tools, accessories
impact wrench, nut runner, grinders, air hammers, etc...
battery operated automatic shut-off impact wrench, battery operated tools
bolting tools hydraulic/pneumatic torque wrenches, splitters, spreaders

Electrical Automation & Safety

REER
SPG
UNITRONICS

switches for cylinders, connectors, cables and accessories
stepper & servo motors, drivers, gearheads
electrical safety mats, edges, contact strips & controllers
OLE electric actuators up to 350 pounds thrust, position control
electric actuators and **Absodex** direct drive indexer
proximity sensors, inductive, photoelectric, capacitive, ultrasonic
DC variable speed drives
DC brushless motors, servo motors, power supply
proximity sensors inductive, capacitive
invertors for AC motor speed and torque control
polycarbonate electrical enclosures
safety switches, interlocks, rope safety switches
AC & DC electric motors & speed reducers also for servo motors
stacklights, signal towers, audible alarms,
safety light curtains, safety switches & relays
fractional hp electric motor, gearheads, brake motors
programmable logic controller with built-in human-machine interface

Additional Products

HIWIN
HUB CITY
mk NORTH AMERICAN
PARCO

linear guideways, actuators and ballscrews, interchange THK
worm & helical drive gear boxes, speed reducers, pillow block bearings
modular & curved conveyors, machine guards, enclosures, linear motion
modular extrusion inch & metric interchange 80/20, Bosch, etc...
